

KS1 Home Learning Project: Our Wonderful World

18.05.2020 – 29.05.2020

Begin by looking at 'Windows' by Jeannie Baker and discuss what you can see with an adult - <https://youtu.be/4JLVneJa1Is>

Then listen to 'One World' by Michael Foreman - <https://youtu.be/G7vEpZejT-o>

There will also be Purple Mash activities set for the next 2 weeks.

Maths – (Aim to alternate between maths and English each day)

- Play on Times Table Rock Stars every day for 15 minutes
- Study coin recognition, adding and subtracting coins in the Money sections on:
<https://uk.ixl.com/math/>

- Create a table and a graph of your choice (pictogram, block graph, line graph or pie chart) to show the rainfall in your garden for 2 weeks.
- Play maths games on www.topmarks.co.uk
- Set up a shop at home. Decide on your prices. Ask members of your family to buy things from your shop. You will need to work out how much to charge and give change.
- Explore some of the lessons on the Oak Academy website -
<https://www.thenational.academy/online-classroom/schedule/#schedule>

English - (Aim to alternate between maths and English each day)

Pick some of the following activities to do over the next 2 weeks:

- Write an acrostic poem about Our Wonderful World.
- Design a poster about how to make the earth happy.

#Lesson Presentation
Reduce Reuse Recycle

- Is it right to drop litter? Write an argument explaining what you believe.
- Write a story about someone who does not look after the earth, but learns to at the end.
- Write a set of instructions for how to plant a seed.
- What are the 3 R's? Write an explanation why we should recycle.

Art

Create a piece of art work by using things found in your garden e.g. twigs, leaves, flowers, grass etc

Invent an “environmental superhero”:
draw a picture of your superhero, and write what he/she specifically does to help the environment

Design Technology

Plan, design and create an outfit for yourself out of recycled materials. Try and be as creative as you can!! Don't forget to send your teacher a picture of your finished outfit being modelled by you.

ICT/Science- Endangered Species

Endangered

A species is endangered when it is threatened with becoming extinct.

Using the link find out about endangered animals.

<https://youtu.be/yFH4AtCMJXE>

Now make a poster about endangered animals

Music

Make up a song/rap about our world and how we can look after it.

Can you add music/make a beat?

Ask a parent or carer to film you performing your song/rap and send it to your teacher.

The Quarantined of QEGS

QEGS is still making a blog to show what you have been doing during lockdown. Can you write a piece of no more than 300 words saying what you have done for us to publish?

Please send these to us typed up. Remember you can do one more than one!

Take a look!

<https://qegs.edublogs.org/>

Science

Make your own Rain fall gauge (one way is to use an old plastic bottle https://youtu.be/xd_xMhcfBFM)

Keep a record for 2 weeks-what do you notice?

History

- What jobs do people do in Blackburn in 2020?
- Can you find out what jobs people did in Blackburn 100 years ago?
- Can you explain **why** jobs were different then and now?

Carbon Footprint

Your carbon footprint is all the electricity/energy you use at home e.g. to turn on lights, plug in kitchen appliances like a toaster/microwave, and even watch TV or play video games. It is also the energy used by cars, buses or planes.

- Draw around your foot.
- Cut out your footprint.
- Now draw pictures inside of all the things that you do or use which makes your carbon footprint.
