

Provider Access Policy Statement

This policy sets out the Schools arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training that they offer.

This complies with the School's legal obligations under section 42B of the Education Act 1997.

Procedure

A provider wishing to request access should contact Paul Taylor, Careers Leader

A number of events, integrated into the school Careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers. The annual 'Meet the Employers Event' in July allows all providers a platform for this opportunity. Please get in touch with the Careers Leader named above if you would like a formal invitation to this event.

The School welcomes providers who wish to talk to small groups of pupils/students throughout Years 7 to 13 and/or who would like to give an assembly to a whole year group. We would particularly welcome the opportunity to bring small groups of students to local provider's facilities'.
