

Pupil Premium Strategy in the Senior School 2016/17

The Pupil Premium at Queen Elizabeth's Grammar School is used to pay for a range of student support activities and interventions. These monies are spent in the following ways;

Type of provision	Description	Rationale	Cost	Impact
Academic	Lunchtime sessions and extra classes both within and out of the school day including drop ins	To help students improve on the examination result they would have achieved if these were offered.	£7000	To keep the GCSE results and KS2 to KS3 levels of progression above the national average for this particular focus group. Impact can be measured using internal data and also Progress 8 scores in August 2017.
	Additional in class directed support and personalised interventions. This covers a proportion of the cost of 6 TAs who for this time are specifically working with PP pupils in lessons.	To help students improve their progression in the various subject areas.	£54013	To keep the GCSE results and KS2 to KS3 levels of progression above the national average for this particular focus group. Impact can be measured using internal data and also Progress 8 scores in August 2017.
	Revision skills training for pupils starting Year 11	To help pupils fine tune their revision skills prior to forthcoming GCSE exams	£695	To keep the GCSE results above the national average for this particular

				focus group. Impact can be measured using internal data and also Progress 8 scores in August 2017.
	To provide individual support/equipment that pupils need reach their potential	To ensure equal opportunity for all pupils.	£3869	This provides materials such as revision guides, computer access, stationary resources, books, visits etc. to reduce the potential barriers to learning. Impact can be measured using internal data and also Progress 8 scores in August 2017.
	Accelerated Reader	To encourage pupils to read and to advance their reading ages.	£4414	To enhance literacy for targeted groups with an identified need. Impact can be seen in the above expected progress in reading for this group of pupils.
	Extended library opening times	To encourage pupils to complete their homework at school.	£1000	Homework completed by pupils at school, all of the time. Evidence can be seen in registers

				taken for attendance in the Library. PP pupils are personally targeted to attend Library to ensure that they do have a quiet place to work and all the resources that they need.
	Appoint a 'Supervision Assistant'	To assist with the supervision of pupils withdrawn from lessons and to assist their learning in small groups.	£2958	To keep the GCSE results and KS2 to KS3 levels of progression above the national average for this particular focus group. Clear documents are kept for the PP pupils that the Assistant is working with individual study plans created. Impact can be measured using internal data and also Progress 8 scores in August 2017.
	Year 9 Chemistry LEGO blocks	To assist with the understanding of Chemical concepts	£36	Used to aid pupils learn about balancing equations. Evidence can be seen in the internal data of a better

				understanding of the concepts. Impact can be seen of this resource reducing barriers to learning of the Chemistry topic.
Social, emotional behavioural	A new parents social evening for parents of pupils in Year 7	To encourage strong links between home and school	£500	Greater numbers of parents attending school events /greater familiarity with the school's objectives etc. Impact can be seen through the close links with parents of PP pupils and the high attendance rate of parents of PP pupils at all Parents' Evenings due to starting an effective School/Parent relationship from the start.
	A contribution to the cost of the School Counsellor	To support pupils so that they are in the best possible frame of mind to work	£1150	To promote good attendance and a happy pupil body. To deal with Mental Health issues when they arise. PP pupils are given priority for access to the School

				Counsellor when required. Impact can be seen in School safeguarding records when appropriate.
	First Aid	A qualified first aider is on call at all times to help with any first aid issues.	£Nil	To promote good attendance and a happy pupil body
Enrichment beyond the curriculum	A variety of lunchtime and after school extra-curricular activities	A broad range of none curricular activities for the enjoyment of pupils	£Nil	To improve attendance and attitudes to learning by rewards.
	A broad range of Saturday morning sport for pupils throughout the school	To promote healthy competition and promote sport as a good thing.	£Nil	To improve attitudes to learning and attendance.
	Author visit	To raise aspirations and to enrich the life experiences of the pupils	£Nil	To focus the pupils' attitude to their reading and to help improve the standards in this area.
	'Flap Jack' celebrations (amongst others)	To recognise pupils' achievement after the mock examinations etc	£100	To create a culture that recognises and rewards success. Evidence can be seen in the number of PP pupils invited to such events to celebrate their successes.
