Two Swimming Coaches in order to ensure the changing needs regarding the ability of the children joining us are met and the additional numbers of pupils in the Primary Phase. Many children join the school having had no experience of being in the water. Swimming lessons outside of school are limited for many of our children.	£14,000.00	Two swimming coaches employed to teach Primary swimming for the academic year. Progress monitored and assessments made.	To improve pupils' access to swimming and improve pupils' confidence in the water. To enable Yr6 pupils and lower years to become competent in the water.	After Covid pupils have needed extra support in their swimming lessons. The timetable has been changed to accommodate this. All pupils are becoming more confident in the water and 79% of pupils leaving Year 6 were competent swimmers, able to swim 25 meters in more than one recognised stroke. This is well above the National figures of around 66%. Pupils progress data is kept and tracked to show all pupils are making progress in swimming.
Year 2 Outdoor Education - Team building. Develop friendship groups, confidence and self-esteem of our younger pupils. Thus increasing mental health and wellbeing.	£3,300.00	Employ an experienced leader to lead weekly Lammack sessions for pupils in order to develop leadership and teamwork skills.	Develop friendship groups within Year 2 and improve the confidence and self-esteem of our younger pupils. Increasing Years 1 and 2 pupils mental health and wellbeing.	Our Year 2 pupils have undertaken the outdoor education activities for 4 intensive structured sessions during the course of the year. All pupils have reported that they have enjoyed the sessions and teachers feel that this has strengthened pupils self-esteem especially after the effects on pupil's mental health and wellbeing after the covid pandemic.
Year 4 Outdoor Learning - undertaking new activities such as canoeing, teamwork skills, archery and orienteering to build life skills, confidence and communication skills.	£3,800.00	Employ an experienced leader to lead weekly Lammack sessions for these pupils, developing new skills, undertake a range of sports and enhance leadership and teamwork skills.	These session will develop new sporting skills, confidence, self-esteem, resilience to try new sports and enhance leadership and teamwork skills.	Our Year 4 pupils have undertaken the outdoor education activities for 4 intensive structured sessions during the course of the year. All pupils have reported that they have enjoyed the sessions and teachers feel that this has strengthened pupils self-esteem especially after the effects on pupil's mental health and wellbeing after the covid pandemic.
Salary enhancement for PE Teacher due to increased responsibilities.	£2,931.00	Increase to salary for additional responsibilities and hours in order to facilitate clubs and EYFS/KS1 teaching of PE.	To allow the PE Teacher the additional hours to undertake increased teaching responsibilities and clubs therefore increase pupil attainment and progress in a range of physical activities.	Our PE teacher delivered extra training, clubs and activities to our pupils as part of the PE lessons, in after school and lunchtime clubs as well as ensuring pupils were able to participate in local sporting competitions. PE teacher has taken part in CPD including updating football coaching qualification.
Armbands, noodles and floating devices to ensure safety of those pupils joining us who cannot swim unaided.	£200.00	To ensure that all pupils are able to access the swimming pool for lessons	To improve pupils access to swimming and improve pupils' confidence and progress in swimming.	More equipment was purchased to take into account many more children being less confident in the water due to the long period of time without swimming as a result of Covid 19. There had also been damage to previous resources as a result of the pool not being in use for a long period of time. We were able to replace these resources.
Swimathon membership to allow KS2 to take part in Annual charity event.	£30.00	All KS2 will take part in the Annual UK charity swimathon. If Covid restrictions allow	To improve participation in competitive sporting events.	This was not run nationally this year.
Swimming certificates to recognise pupil progress during lessons. Medals for celebrating success during swimming galas.	£100.00	The PE teacher to organise the swimming certificates.	To improve pupils access to swimming and improve pupils' confidence and progress in swimming. To improve participation in competitive sporting events. Certificates and medals to celebrate pupils' success.	School have created our own certificates to mark milestones in pupils' swimming achievements. These have started to be awarded to pupils this year and will continue next year. Medals and certificate were also awarded for the annual swimming gala for winners.
Spare Kits	£100.00	School to purchase a range of kits/training shoes.	To ensure full participation in sporting activities.	Spare kits were purchased to ensure that all pupils could take part in PE sessions.
Drumz Aloud enrichment day	£500.00	Years 1, 3 and 5 pupils will take part in the drumz aloud sessions	To develop and stimulate pupils physical, emotional and intellectual development, whilst allowing all pupils to communicate and break down any barriers and language issues.	All pupils throughout the Primary Phase took part in a 45 minute session to support pupils wellbeing, mental health and physical development. The sessions were fun for all and both pupils and staff thoroughly enjoyed participating. Many pupils who can be reluctant to engage in PE, really enjoyed the sessions.
Increase outdoor education opportunities	£200.00	To purchase more outdoor education equipment to allow pupils use a range of equipment and broaden outdoor learning experiences.	Increase equipment to ensure all pupils can participate in individual and team games.	Year 1 pupils have accessed more opportunities for outdoor learning, but this still needs developing further.
Transport	£2,000.00	A contribution to the cost of transporting KS2 pupils to Lammack.	To allow KS2 pupils to have access to the larger sporting facilities at Lammack. To allow KS2 pupils to have access to the extensive sporting equipment which is kept at Lammack.	Contribution to transport was made with the other costs met by the overall school budget. Pupils benefit greatly from being able to access the specialist premises and equipment at Lammack. This also assisted in ensuring all pupils have undertaken a wide range of sporting opportunities such as football, cricket, netball, athletics, tennis, bikability, basketball, dance, general fitness.
Further implement the Active Mile for KS1 and KS2 pupils	£50.00	To plan a course and how to get active time throughout each day in the classroom. To create awards for participation.	Increase the amount of daily exercise pupils undertake and to build up stamina for fitness.	The daily mile work is in its infancy and requires requires further development. This was amended slightly to trial Play leaders. The initial training and resources have been created, but this will be developed further next academic year.
