Year 1 Homework

Lent 1

In Lent 1 we will be focusing on shape and time in Mathematics and studying Zog in English.

Within Science we are learning about Everyday Materials and what their uses are.

In Humanities, we are learning about the extreme weather and continents.

Please remember to read weekly along with practising your phonics sounds.

Please complete as many of these activities as you can throughout Lent 1 term.

Art – Diorama

Make a diorama (3D model) of an extreme weather scene. You can choose any extreme weather that you like.

Science - Everyday Materials

Design a weatherproof coat. Think about what materials would be suitable for a coat so that you are warm and dry in extreme weathers.

Humanities - Extreme weather

In extreme weather we will learn about monsoons, a huge and dangerous flood! Can you design and make a flood resistant house? Materials you could use include:

- Tinfoil
- Cardboard boxes
- Tissue paper
- Toilet rolls
