

Maths – Times tables

Practise your 2, 5 and 10 times tables.

Times Tables!

$1 \times 2 = 2$	2	$1 \times 10 = 10$	10
$2 \times 2 = 4$		$2 \times 10 = 20$	
$3 \times 2 = 6$		$3 \times 10 = 30$	
$4 \times 2 = 8$		$4 \times 10 = 40$	
$5 \times 2 = 10$		$5 \times 10 = 50$	
$6 \times 2 = 12$		$6 \times 10 = 60$	
$7 \times 2 = 14$		$7 \times 10 = 70$	
$8 \times 2 = 16$		$8 \times 10 = 80$	
$9 \times 2 = 18$		$9 \times 10 = 90$	
$10 \times 2 = 20$		$10 \times 10 = 100$	

$1 \times 5 = 5$	5
$2 \times 5 = 10$	
$3 \times 5 = 15$	
$4 \times 5 = 20$	
$5 \times 5 = 25$	
$6 \times 5 = 30$	
$7 \times 5 = 35$	
$8 \times 5 = 40$	
$9 \times 5 = 45$	
$10 \times 5 = 50$	

English

Write your own fairy tale. Remember it needs to have a beginning, problem and ending. Watch some of the fairy tales on the link below to help you with ideas.

Year 1 Homework Lent 2

In Lent 2 we will be focusing on money in Maths and Fairy tales in English.

Within Science we are learning about Everyday Materials and what their uses are.

In Humanities, we are learning about changes within living memory.

*Please remember to read weekly along with practising your phonics sounds.
Please complete as many of these activities as you can throughout Lent 2 term.*

DT – Junk Model

Make a junk model of something of your choice using a range of different materials.

Science- Everyday Materials

Find as many different materials around your house as you can and list them all. Once you have done this, write a sentence about each one and describe its properties.

Humanities- Research

Research an event that has happened since you were born and write down some facts. This could be something in your life, something in the local area, something in the UK or something that has affected the world.
