

Stick Man

Maths - Number bonds to 10

Using your Purple Mash log in. Can you sign in and complete the 2do. This is a game where you have to complete the Number sentences for Number bonds to 10.

Once you have done this can you draw the Number bonds to 10 using either the part-whole model or a tens frame.

Can you write the Number sentences next to each model?

Science

Can you collect different objects from around your house and group them by the materials they are made from.

English - Sentence structure

Can you write some simple sentences describing the different things Stick Man is used for within the story?

Remember to use your capital letters and full stops.

Use the link below to listen to the story again.

Year 1 Homework Michaelmas 2

In Michaelmas 2 we will be focusing on the book *Stick Man* across our lessons. Within Science we are looking at Animals including Humans.

Please remember to read weekly along with practising your phonics sounds.

Please complete as many of these activities as you can throughout Michaelmas 2 term.

Art - Creating your own Stick Man

Design your own Stick Man, you can add clothes onto Stick Man or a hair style.

You can use pencil crayons or you could collect some twigs and make your own Stick Man?

English- Capital letters and Full stops

Use the links below to access the Capital letter and lowercase letter matching games.

Once you have played the game, we would like you to practice writing both your Capital letters and
