

Our School

Geography - Maps

Draw a map to show how you get from your house to the shop.

What do you pass on the way? Where do you turn? How long are you on each road for?

English - Writing

Write an acrostic poem using the word Christmas down the left hand side of your page.

Can you make it rhyme?

Year 3 Homework Michaelmas 2

In Michaelmas 2 we will be studying 'Our school.' We will be looking in detail at the location of our school and specific areas within QEGS.

Please complete as many of these activities as you can throughout Michaelmas 2 term.

Design Technology

Design and draw a new magnetic game. Add labels to explain the game. You could write instructions to go with it.

Science - Forces

Research and create a fact file about the discovery of one of the following forces: air resistance, water resistance, friction, push

pull .or gravity

OR

Create an information leaflet about magnets and forces

Maths - Number and Place Value

How many different representations can you draw for the number 46?

CHALLENGE- How many calculations can you think of where the answer is 46? Which operations can you use?
